

LEONARD WADE FAULK

EDUCATION

Hand & Upper Extremity Surgery Fellowship | *University of Colorado School of Medicine*

- ACGME Accredited Fellowship in Hand & Upper Extremity Surgery: *August 2019 – July 2020*
- Fellowship Director: Dr. Frank A. Scott

Pediatric Orthopedic Surgery Fellowship | *Children's Hospital Colorado*

- ACGME Accredited Fellowship in Pediatric Orthopedic Surgery: *August 2018 – July 2019*
- Fellowship Director: Dr. Mark E. Erickson

Orthopedic Surgery Residency | *University of Colorado School of Medicine*

- ACGME Accredited Residency in Orthopedic Surgery: *June 2013 – June 2018*
- Residency Director: Dr. Michael R. Dayton
- Completed/Passed ABOS Part I in July 2018

University of Colorado School of Medicine

- Doctor of Medicine (MD), *August 2008 – June 2013*

University of Colorado, Denver Graduate Business School

- Master of Business Administration (MBA), Health Administration concentration: *June 2011 – May 2012*

University of Colorado, Boulder

- Bachelor of Arts, Biochemistry concentration with a minor in Chemistry: *August 2001 – August 2005*
- Boettcher Scholar, Graduation with Distinction, President's Leadership Class, El Pomar Scholar

AWARDS & RECOGNITIONS/ACCOMPLISHMENTS

Awarded Best Orthopedic Surgery Junior Resident Research Project | *University of Colorado School of Medicine GME, Dept. of Orthopedic Surgery* **2015**
"Mechanism of injury alone is not justified as the sole indication for computed tomographic imaging in blunt pediatric trauma"

Gold Humanism Honor Society (GHHS) | *Resident/Fellow Chapter, University of Colorado School of Medicine Graduate Medical Education* **2015**

I was nominated and awarded this honor by my peers as both a medical student and as a resident. The GHHS honors medical students, residents, role-model physician teachers and other exemplars recognized for demonstrated excellence in clinical care, leadership, compassion and dedication to service. It is dedicated to recognizing, supporting and promoting the values of humanism and professionalism in medicine.

William Winter Award for Excellence in Orthopedic Surgery | *University of Colorado School of Medicine* **2013**

This award was created in honor of Dr. William Winter who was a dedicated Orthopedic surgeon, educator, mentor, musician, and father. It is awarded to two graduating seniors who exemplify excellence and promise in the field of Orthopedic Surgery. The two graduating seniors who receive the award are nominated and chosen by the Orthopedic Surgery faculty at the University of Colorado School of Medicine.

Gold Humanism Honor Society (GHHS) | *Medical Student Chapter, University of Colorado School of Medicine* **2013**

As detailed above.

deLuise Award for Exceptional Dedication | *University of Colorado School of Medicine* **2013**

Awarded to one student per class at the University of Colorado School of Medicine who embodies leadership and demonstrates commitment to the success of his or her peers.

MBA in Health Administration | *University of Colorado Denver, Graduate Business School* **2013**

Over time, my passion for the medical field has continued to evolve, as has my understanding of how interwoven the medical field is with business, ethics, management, finance, cultural sensitivity, and social responsibility. As I came to understand more about medicine and its practice, I realized how useful and, to an extent, how necessary it was for me to understand the business behind it. This degree was completed in 11 months between my third and fourth years of medical school as part of a dual MD/MBA program through the University of Colorado.

RESEARCH EXPERIENCE

Journal of Pediatric Orthopedics

Manuscript—July 2020

Jenna Powell, Romie F. Gibly, Leonard W. Faulk, Patrick Carry, Stephanie W. Mayer, Courtney M. Selberg. *Can EOS Imaging Substitute for Conventional Radiography in Measurement of Acetabular Morphology in the Young Dysplastic Hip?*

Orthopedic Research Day, University of Colorado School of Medicine

Podium Presentation—June 2020

L. Wade Faulk, MD, MBA; Kristen Vossler, BS; Andy Lalka, MPH; Micah Sinclair, MD; Sarah Sibbel, MD. *Ulnar Epiphysiodesis in Premature Distal Radial Physeal Closure: Success of the Index Procedure.*

Orthopedic Research Day, University of Colorado School of Medicine

Podium Presentation—June 2019

L. Wade Faulk, MD, MBA; Sayan De, MD; Wade Coomer, BS; Patrick Carry, MS; Julia Sanders, MD. *Intramedullary Nail Fixation of Tibial Shaft Fractures in Adolescents.*

Children's Hospital Orthopedic Research Symposium

Podium Presentation—April 2019

L. Wade Faulk, MD, MBA; Sayan De, MD; Wade Coomer, BS; Patrick Carry, MS; Julia Sanders, MD. *Intramedullary Nail Fixation of Tibial Shaft Fractures in Adolescents.*

- Injury**
Manuscript—August 2018
 Krister P. Freese, **L. Wade Faulk**, Claire Palmer, Robin M. Baschal, Sarah E. Sibbel. *A comparison of fixation methods in adolescent patients with diaphyseal forearm fractures.*
- Children's Hospital Orthopedic Research Symposium**
Podium Presentation—April 2018
 Kent Doan, MD; **L. Wade Faulk, MD, MBA**; Jay Albright, MD. *Capitulum Osteochondritis Dissecans in the Young Athlete.*
- Children's Hospital Orthopedic Research Symposium**
Podium Presentation—April 2018
 Robin Dunn, MD; **L. Wade Faulk, MD, MBA**; Sarah Sibbel, MD. *Subtle Elbow Instability in an Adolescent Athlete.*
- Orthopedic Research Day, University of Colorado School of Medicine**
Podium Presentation—June 2018
L. Wade Faulk, MD, MBA; Krister P. Freese, MD; Andy Lalka, MPH; Sarah E. Sibbel, MD. *A Microeconomic Evaluation of Treatment Methods for Diaphyseal Forearm Fractures in Pediatric Patients.*
- Children's Hospital Orthopedic Research Symposium**
Podium Presentation—April 2018
L. Wade Faulk, MD, MBA; Gaia Georgopoulos, MD. *Complex Congenital Talipes Equinovarus (Club Foot).*
- 72nd Annual Meeting of the American Society for Surgery of the Hand (ASSH)**
Poster—September 2017
L. Wade Faulk, MBA, MD; Krister P. Freese, MD; Andy Lalka, MPH; Sarah E. Sibbel, MD. *A Microeconomic Evaluation of Treatment Methods for Diaphyseal Forearm Fractures in Pediatric Patients.*
- Pediatric Hand Study Group (PHSG) Annual Meeting**
Podium Presentation—February 2017
L. Wade Faulk, MD, MBA; Krister P. Freese, MD; Andy Lalka, MPH; Sarah E. Sibbel, MD. *Clinical Outcomes and Cost Analysis of Intramedullary Nailing versus Plate Fixation in Adolescent Both Bone Forearm Fractures*
- 71st Annual Meeting of the American Society for Surgery of the Hand (ASSH)**
Podium Presentation—September 2016
 Krister P. Freese, MD; **L. Wade Faulk, MD, MBA**; Robin M. Baschal, BA; Claire Palmer, MS; Sarah E. Sibbel, MD. *A Comparison of Fixation Methods in Adolescent Patients with Diaphyseal Forearm Fractures.*
- Journal of Pediatric Orthopedics**
Manuscript—2016
 Frank M. Chang, MD; Allison May, BS; **Leonard W. Faulk, MD, MBA**; Katherine Flynn, BA, PA-C; Nancy H. Miller, MS, MD; Jason T. Rhodes, MD; Pan Zhaoxing, PhD; Eduardo N. Novais, MD. *Outcomes of Isolated Varus Derotational Osteotomy in Children With Cerebral Palsy Hip Dysplasia and Predictors of Resubluxation.*
- Clinical Orthopedic Society (COS)**
Podium Presentation — September 2014, 3rd place for best presentation
Faulk LW, Fader R, Scott F, Miller N, Ackerson R, Carry P. *Incidence and implications of intra-articular radial head fractures in the pediatric patient.*
- Journal of Trauma and Acute Care Surgery**
Manuscript — December 2013
 Moore HB, **Faulk LW**, Moore EE, Pierraci F, Cothren Burlew C, Holscher CM, Barnett CC, Jurkovich GJ, Bensard DD. *Mechanism of injury alone is not justified as the sole indication for computed tomographic imaging in blunt pediatric trauma.*
- Journal of Surgical Research**
Manuscript — September 2013
 Holscher CM, **Faulk LW**, Moore EE, Cothren Burlew C, Moore HB, Stewart CL, Pieracci FM, Barnett CC, Bensard DD. *Chest computed tomography imaging for blunt pediatric trauma: not worth the radiation risk.*
- Western Trauma Association (WTA)**
Abstract, Podium Presentation, & Manuscript — March 2013
Faulk L, Holscher C, Moore E, Moore H, Barnett C, Burlew C, Pieracci F, Jurkovich J, Bensard D. *Mechanism of injury alone does not justify CT imaging of blunt injured children.* Podium Presentation at Western Trauma Association Annual Meeting 2013, Aspen, CO.
- 66th Annual Meeting of the American Academy for Cerebral Palsy and Developmental Medicine (AACPDM)**
Abstract, Manuscript, & Podium Presentation — September 2012
 Allison May, **L. Wade Faulk**, Katherine Davies, Nancy Hadley Miller, Zhaoxing Pan, Frank Chang. *Incidence of Concentric Reduction and Avascular Necrosis following Varus Derotation Osteotomy for Neuromuscular Hip Dysplasia in Children with Cerebral Palsy.*
- American Society for Gastrointestinal Endoscopy (ASGE) Digestive Disease Week (DDW) 2012**
Abstract & Podium Presentation — May 2012
 Maximiliano J. Smolkin, Roy D. Yen, **L. Wade Faulk**, Jonathan A. Schoen, Brian C. Brauer, Brett E. Fortune, Raj J. Shah. *A Comparison of Technical Success and Complications of Overtube-Assisted ERCP vs. Laparoscopy-assisted ERCP in Roux-en-Y Gastric Bypass Patients with Pancreaticobiliary Diseases.*
- 28th Annual Meeting of the American Society for Metabolic & Bariatric Surgery**
Abstract & Poster Presentation — June 2011
L. Wade Faulk, Raj J. Shaw, Brian C. Bouer, Breanna Mitchell, Jonathan A. Schoen. *Transgastric Endoscopic Retrograde Cholangiopancreatography after Roux-en-Y Gastric Bypass: A Retrospective Single-Institution Case Review and Review of the Literature.*

VOLUNTEER EXPERIENCE

- The Children's Hospital Colorado, Hospital Sports Program | Denver, CO** 2011 – 2013
The intent of the Children's Hospital Sports Program at Children's Hospital Colorado is to provide resources and programs for children with physical disabilities that influence their ability to participate in organized recreational activities. As a volunteer, I helped teach children with disabilities to ski and snowboard using adaptive equipment. I also had responsibilities in managing equipment to and from the Winter Park as well as being a positive mentor for the program's participants.
- Warren Village | Denver, CO** 2009 – 2010
Warren Village is a unique family community helping motivated low-income, previously homeless single-parent families move from public assistance to personal and economic self-sufficiency through subsidized housing, on-site nationally accredited childcare, intensive case management, educational guidance, medical assistance, and career development. As a medical student volunteer, I performed well-child checks and administered childhood vaccinations to the children of the single-parents enrolled in the program.

LEADERSHIP POSITIONS

- Admissions Committee | University of Colorado Orthopedic Surgery Residency Program** 2015 – 2018
I was chosen by my peers and the attending surgeons in the University of Colorado Orthopedic Surgery program to represent the residents in the selection of candidates for CU's Orthopedic Surgery Residency Program.
- Education Committee | University of Colorado Orthopedic Surgery Residency Program** 2015 – 2018
I was chosen by my peers and the Department of Orthopedic Surgery at the University of Colorado to aid in scheduling and coordinating the educational program to for residents.
- Co-President of the Orthopedic Surgery Interest Group | University of Colorado School of Medicine** 2010 – 2013
The Orthopedic Surgery Interest Group at the University of Colorado School of Medicine (CU OSIG) exists to provide medical students with information, resources, and experiences that will help them make educated decisions about careers in orthopedics. I played an integral role in increasing funding for the group, organizing events, and collaborating with faculty, residents, and my peers to provide a support system for those CU students interested in pursuing orthopedic surgery as a career.
- Class Co-President | University of Colorado School of Medicine** 2009 – 2011
Representation was my primary duty as Co-President of my medical school class. The medical student council (MSC) handles issues that affect all medical students and plays a very active role in the operations of our medical campus.
- Medical Student Council Finance Committee | University of Colorado School of Medicine** 2008 – 2011
I served as a member of the finance committee, a sub-committee of the medical student council (MSC) at the University of Colorado School of Medicine. The finance committee was in charge of the yearly funding for MSC. As a group, we put into place processes for funding requests, approval, and distribution to students, interest groups, special events, and philanthropic purposes.
- Class Representative, Medical Student Council | University of Colorado School of Medicine** 2008 – 2009
Duties of being a medical student council (MSC) representative for my class included attending all MSC meetings, assisting the function of the MSC by actively participating in subcommittees, serving as a voting member of the MSC, communicating to my class the activities of MSC, acting as a conduit through which collective concerns of my class could be brought to the attention of the administration, and soliciting participation from my class in MSC activities.
