

## Candelas Physical Therapy Team

**Tom Ryan, PT** - A Colorado native, Tom Ryan holds a BS in physical therapy from The Robert Gordon University. Tom has an extensive background in manual therapy and has completed functional dry needling coursework. His favorite part of being a PT is interacting with people to figure out the underlying problems causing pain/dysfunction. Tom married his wife, Leslie in 2005, and is the proud father of two children. Outside the clinic, Tom enjoys spending time with family, and--like a true Coloradoan--going to the mountains, hiking, biking, and going for an occasional run.

**Zach Zebarth, PT, DPT** - Zach is a Colorado native starting from growing up in Littleton, going to Lakewood High School, and attending University of Colorado for his undergraduate studies. Zach completed his PT school education at the University of Illinois at Chicago, graduating in 2016 with his Doctor of Physical Therapy. Following PT school, Zach moved to Indianapolis before moving back to Colorado in the summer of 2020 and joining the Panorama team. Zach has been practicing in the orthopedic setting for the past 5 years and is a Certified Dry Needling Specialist. While foot and ankle is his specialty, Zach treats every joint in the body and enjoys treating a wide variety of diagnoses including vestibular/concussion rehab, sports injury recovery, post-operative rehab, temporomandibular dysfunction, and much more. Every patient Zach sees receives a highly specialized plan of care, personalized to get them back as quickly as possible to whatever it is they love to

do. Zach is also a proud pet parent to an adorable 1 year old corgi named Paxton; be prepared to see plenty of pictures if you end up on his schedule!
